Head shots and Resumes not necessary, but always an asset. Before the audition begins you will need to fill out some paper work so please come prepared. You will then be taught a challenging combination by the choreographer and asked to perform in groups. We will then have a freestyle round where each individual will be given the opportunity to do a short freestyle for the choreographer. At the end of the auditions the choreographer will have a chat about what World's is and what kind of commitment is involved. You will then be contacted via phone or e-mail if you have made it into the 2010 World's team. Please come warm, dressed appropriately (clean shoes please) and on time, and prepare to show us your talent and personality.
