A BIG REQUEST: Picture Day can be a bit crazy with hair and make up changes however please make sure you clean up after your selves. Hair pins, elastics, wrappers from leotard packages kleenex and face sponges go home or in the garbage. It always takes me an extra hour after everyone leaves to clean up after you. I appreciate your helpful hands.

RECYCLE !!!!!!!

To all my lovely dancers and their parents. Spiral is all about recycling. We have blue boxes in every room or hall way so you do not have to go far to put drink containers, paper products or plastic containers in. Very unfortunately every day I pull recyclable drink, paper and plastic product containers out of the garbage. I continue to urge you as part of making good habits for a cleaner world to use the recycling containers. Last year we had team captains for each group to urge good habits for a cleaner studio. I think we need to select captains again as this was really effective in ensuring food wrappers ect. getting into the garbage, and clothing items getting home. Lets all pitch in to keep our studio clean so the next group coming in to use the space leaves it how they found it. Use the cubbies in

the back to put your dance bags in. Keep a clear path on the floor so set your shoes off to the side.
Thank You Loretta

COMPETITIVE ENTRY FEES: We still are missing a few entries for Dance Power. Please see desk staff ASAP.

COSTUME INVOICES WILL GO HOME THIS WEEK. PLEASE TAKE CARE OF THESE ASAP.
