KATE JAMIESON OFFERING SINGING LESSONS:
PRIVATE SINGING TUITION

Would you like to learn how to sing? Always thought there was something there but you've been too afraid to try? Introducing private singing lessons with Kate Jamieson.

Kate has been trained in a variety of musical disciplines since an early age. At 10 she took private singing lessons focusing on Modern Voice and Musical Theatre. She studied Piano for ten years growing up and had a solo in her district youth orchestra playing the clarinet. She competed in local and national talent shows mostly placing in the top three in her category and often winning 1st place. She was offered a scholarship in John Curtin College of the Arts where she studied Dance, Musical Theatre, Voice and Drama. She has sung in local and district choirs and had a solo position in all the choirs she was in. At 17, Kate was introduced to a local R&B artist in Perth, Australia and had the opportunity to sing backing vocals on his album. In 2007 she managed her own cover band called 'Lady Penelope' and sang lead vocals. They performed in top venues across Perth and quickly became one of the most highly demanded cover bands in the state due to their unique sound and stage presence. They performed at stadiums and festivals including, 'Beer Fest - 2008', 'Rottnest Channel Swim', 'Leo Sayer Live in Concert', 'Eros Ramazotti at Members Equity Stadium' and along side the Australian Idol Runner Up 'Shannon Noll'.

Kate will be offering private singing tuition commencing after Spring Break and is available during the Summer Holidays upon request. Lessons are structured to fit your individual needs whether you are at a beginner level right up to advanced. Private lessons over the summer holidays may also cover learning a technical dance routine to be performed as a 'Song and Dance' solo for competitions during the 2010-2011 season. This is only available to those students who are in the Competitive program at Spiral and will require an initial assessment.

Please contact her on kate_bodylanguage@hotmail.com to find out more.
