A Few rods from a past OTM participant:

"I had gone to on the MOVE when I was in my last of York. It was

great! Fun workshops, good talks, all my friends-and I wasn't at school! There were some very informative panel discussions...Payment, Professional standards, working conditions, contracts, we're talking heavy duty business stuff here. As a dancer, I finally felt I was worth it, I went back again last year."
