Spiral Dance has hired Karl McPherson to lead the Acro workshop. Spiral Dance has also purchased extra tumbling mats to ensure the safety of the students. It is important to let your child understand the importance of listening, follow directions, and absolutely no fooling around. Your child will only be allowed to attempt a more difficult task under the digression of the instructor. As always we ensure a safe and fun experience for your child, however, there is an extra risk involved in participating in Acro. Please read and sign the document at the bottom of the page.

My child has permission to attend to Acro Workshop held at Spiral Dance.
