

## Competitive Group Up-Date #28 May 6th

A JOB WELL DONE!! Great dancing to all performers at the No Borders Challenge Championship. It was a very exciting day for all who participated, and for the audience what a great opportunity to see the best of the best from Surrey Festival.

CONGRATULATIONS TO CELINA BOOTH. She is the Intermediate Provincial Representative for Modern. She will receive her scholarship award at the opening ceremonies of the Surrey Festival Honours Performance this Sat May 10 at Bell Performing Arts Center, as well, perform her solo in the first half of the program.

DREAM TEAM is right around the corner. Please double check your costumes and triple check that you have not misplaced anything. Solo's, duo's and trio's make sure you have your CD with the one song only on it CLEARLY MARKED how your dance starts. Don't forget your back-up. I will be there in the back stage area playing your music. If it is not me it will be any one of Spiral teachers. Check in with us 1/2 hour prior to your time so we know your are there and ready to go and give me your music. I will probably not have time to come find you. So be ready and come to the back stage 15 minutes ahead of time. If they get ahead of time they will forge ahead. So do not be late!! Remember: both the main theatre and studio theatre are running simultaneously at the Surrey Arts Center. This may present a challenge at times so just be on your toes.

## CLASS CHANGES/CANCELLATIONS & WHAT CLASSES ARE ACTUALLY A GO.

### THURSDAY MAY 8TH
