AUDITIONS FOR THE DDC SCHOLARSHIP PROGRAM FRIDAY AUGUST

8TH @ 4:30PM

Program beginning this fall - SEPTEMBER 2008

- Please be prepared to show technique across the floor as well as in a short bit of choreography. A variety of style will be demonstrated in the audition and each student will be chosen for their particular strength with the expectation that they show the willingness to do their best in all styles of dance.

This is a program designed for serious students who have graduated high school, or are nearing graduation that are on a half day or correspondence program (ages 16 – 30yrs) and would like to pursue a profession in the field of dance as either a dancer, choreographer, teacher or adjudicator. This program will give you the necessary tools for surviving in this extremely competitive industry, including: Resume writing skills, dancer edict, audition techniques, various dance techniques and history.

This is Vancouver's only training program that focuses equally on both the business and physical training aspects of dance. We will prepare you both physically and mentally to pursue a positive and successful career in dance.

All faculty members in the program are affiliated with working companies in Vancouver. At the end of the year they will be assessing and auditioning DDC Scholarship students to apprentice, join or work closely with their specific company. This means you will be directly networking yourself with some of the most well known and respected companies in Vancouver. These companies include:

- Move: the company* The Response (Amber Funk & co.)* Marta Marta Hop* OTI* 605 Collective* CMC Entertainment* Stone Foxx* Coredance Productions* Ruckus* CADA*
