COMPETITION ETTIQUITTE AND EXPECTATIONS: I know that Spiral Dancers have excellent manners at Competition, however we have some new comers to the Team and I would like to review what is expected.

Arrive: I hour prior with hair and make-up done. It is best to already be in the costume for the number you are performing in first, as there is sometimes a concern about items going missing in change rooms. "Do Not Leave valuables in change room it is best to leave valuables at home or give to parent"

APPLAUD all dancers. Be polite and helpful to those on your team and other schools teams. Remember we are there to dance and show our love of the art.

I send you my best wishes for successful performances. This will happen if your prepared and ready in your mind body and spirit. Be sure to not get distracted by the business of events when you get there. Your focus is to effectively warm your self up. You all know how to do this.

I will be there for you. If you do not see me I am probably playing music for one of your teammates. Come find me to hand in your music, and to check in with me so I know you are there.

MUSIC: Solo, duo, and trio's you are responsible for bringing your own music. CD must only have one song on it. Please be sure you have a back up. DO NOT USE re-writable CD'S; they will not play in most CD decks. Be sure to also have how you start and finish written on the CD.

GO TEAM, YOU ROCK!!
