

Fall 2010 Convention information

Just a wee reminder of Conventions for the Fall. Below is a list with web sites so you can check it out.

Coastal Dance Rage deadline is extended...see below. Spiral is taking on registering the Spiral Dancers as a group, so we need those registrations in ASAP.

FYI, A birdie whispered in my ear that Mia Micheal's is going to be there this year.

If you are interested in any other conventions you can enter on your own, you do not have to go through Spiral.

Both Triple Threat and Jump are highly recommended!!

Some of you may ask why do a convention?

They are so inspiring and such a great learning tool for the young emerging dancer.

The dancers get to take classes with some of the leading teachers and choreographers in the industry. I have had dancers get noticed, receive scholarships and have gotten work through attending conventions.

The dancers get an opportunity to talk with them and get autographs. Taking classes with other teachers expands their dance vocabulary, helps the dancers to learn to pick up choreography quickly and make connections with other dancers from around the country.
