APPAREL CLOTHING ORDERS: DEADLINE MON. NOV. 15TH. As a note:
the

length of the shorts will be the longer length for full coverage. A
sample swatch of the Supplex material is pinned to the bulletin board.
Really soft and much thicker.

I have made a note to the manufacturing Company to make the pants
not quite so low rise. I noticed the children's sizes in particular
where a bit short through the crotch length.

We will need a few other solos or duo's for both these events.
