

COMPETITIVE UP DATE # 6 DEC. 4TH 2011

GREETINGS. Christmas is fast approaching and I want to extend to you, All the Best of the Season!!!
Every year I send out Christmas cards to my Competitive Family's as a heart felt thank you for choosing Spiral Dance for their child's dance education.

This year I would prefer to use that toward a needy charity. One of my favorites is Covenant House in Vancouver. It is a safe haven Church for children who find themselves on the street. As well, I have always purchased my Christmas cards through Unicef and will make a donation contribution to them instead.

There is a great need in our own back yard, and I have put out a Christmas decorated Food Bank Box in the change room. If you can, please bring your Non-perishable items for those less fortunate. Cut off will be Sat. Dec. 17th

3rd MONTH OVERVIEW....
Costumes are trickling in.... group's numbers are done or almost done. The dancers continually work hard for their teachers. I see big improvements in strength, flexibility and overall technique. I am very excited to see everything complete and stage ready by Dance Power Burnaby Michael J.Fox Theatre Feb 29-March 4h.

Solo/Duo Show Case on Sunday January 29th at the Wheel House Theatre Earl Marriott Secondary. The studio is being booked constantly with extra rehearsals for solo's and duo's. I have no doubt all our dancers will shine.
