There will be draws, bake sales and FEATHER HAIR EXTENSIONS! We welcome all dancers to come early grab a treat and get your hair done! Dancers may arrive anytime after 1:15, those in the first half should be there in costume ready to go by 2 pm. If there are duo partners that would like to mark the stage before your dance I encourage you to email me ahead of time so I can add you to the list and give you some time to work out your kinks. I will be there opening the door at 1pm, and will have a list of dancers names and times they need to work on their spacing. It won't be with your music, just the opportunity to mark it.
The show order list will be emailed next week so you can see which half you are in.
