NEW UP-DATED PEAK SCHEDULE.

Please note the attachment for the up-dated Peak schedule has a few minor changes from the one I sent out with the #16 Up-Date. Double Check.

ALL SOLO, DUO or TRIO"S there will be a teacher there for you to play your music backstage. Be sure you have your CD's clearly marked with your name, how you Start and Finish. Be sure they are burned on good quality CD R"S. DO NOT BURN ON RE-WRITABLE CD"S, they don't play in most machines.

MAKE SURE YOU HAVE A BACK UP!!!! I can't stress this one enough.

Check in back stage to let the teacher know you have arrived. We have so many solos and duo's this year we might no have time to come find you. You find us. Thank You
