I apologize for this inconvenience, but there seems to be a communications break down between White Rock School and Facility

Rentals. I only got notified of the user cancellations on Fri. afternoon. It seems that White Rock Elementary is having a huge Grand

Opening for the New School next week and have cancelled all their user groups. This will hopefully be the only time we have to utilize East Kensington, however I am very grateful that it was available, as we cannot afford to cancel any of our competitive classes at this stage in the choreography and cleaning process prior to competition.
