

#20 Group Up-date

STUDIO CLOSED AS OF SUNDAY MARCH 15TH -SUNDAY MARCH 22. Have a restful Spring Break!!!

SURREY FESTIVAL TIMES : see attachments

CONGRATULATIONS!!! Peak Invitational Competition was so much fun. It was wonderful to see all the dances on that big stage. I was so proud of how well everyone did. Really listen dancers to the feedback from the adjudicators and go back now and re-work your dances so you can grow through these experiences.

Thank you parents and dancers for being mindful and arriving at the competition on time with hair and make-up done. There is still room for improvement as well in this area. To my wonderful parents it is SO important that the kids have that good 1 hour time slot to prepare themselves physically and mentally. If there are any distractions ei. costume pieces missing, arriving late, arriving without the hair and make-up done, this takes away from the dancers ability to be on their best. Lets make sure we take care of details prior to arriving next time. If you ever need assistance please do not be shy to ask for help from the other parents on your child's team. We are all here to support one another. Thank you
