

## #25 Group Up-Date

I hope you all had a restful Long Weekend. This year has gone by so fast. BUT what an incredible year of dancing. You must be so proud of your child's accomplishments. Dream team competition was an excellent way to end our competition season. Spiral shone with so many wonderful performances. There were so many awards for most promising, most outstanding, and choreography awards. Not sure if Belva-a Jo or Sherrie got the most choreography awards. Congratulations to all our dancers and teachers for their fine work and passion.

**YEAR END RECITAL INFORMATION:** Please double check these orders as there have been some changes since they went up 2 weeks ago. For Picture Day, Dress Rehearsal, and Show date orders please go to [www.spiraldance.ca](http://www.spiraldance.ca) and click on Announcements. There you will find downloadable copies of all this information including our Recital Guide. All information about the Recital from what kind of tights to buy, what day tickets go on sale, how to purchase them, to audience etiquette. Please take the time to review this informative Guide.

**BALLET COSTUMES:** not all the invoicing for Sarah Brewers Ballet groups will be completed by picture day. The costumes will be at the studio. Arrive for picture with your hair, make-up done and whatever Sarah is wanting you to wear, ie tights, fish nets. You will find your costumes in the back room. After your picture is taken hang up the costumes and put them back where you found them. We will get the invoicing out by the following week.

**PARKING ON PICTURE DAY:** Please be considerate of our neighbors and do not park in the Red Rooster stalls. With the road construction parking on Russell is your best bet. Please be sure to give yourself time to find parking and still be in the building 15 minutes prior to your time slot. We will be running on time. It is a very tight day so things will be ticking along quickly. Thank You
