

#26 GROUP UP DATE MAY 29TH

Many changes in the wind: yes indeed the rumor mill is correct. Our beloved Belva-Jo is moving with her family to Anchorage Alaska. It has taken me this long to even wrap my head around her not being a part of our Spiral Dance teaching Team next year. I know we all will miss her terribly and there have already been a number of going away party's in her honor.

I want to re-assure you all that I have found highly qualified instructors to fill in her boots for next Fall. Of course they are not Belva-Jo but they will bring to our students their own fresh spirit to inspire our lovely dancers in their pursuit of new challenges, artistry and accomplishments.

For the Acro program we will still have our 15 week workshop training session. Belva-Jo and I have agreed that I will fly her back to choreograph over a weekend the group acro numbers. It will be great opportunity to catch up and have a mini reunion. In order to do this the fee for commission may be a little higher than last year but not by a lot.

I will have a formal announcement in the up coming emails to introduce our new members of faculty. However, Kate Jamison's Bio is already on our Summer Camp web site as she will be teaching the musical Theatre and Jr. /Intermediate Intensive. I am so excited about having Kate join us on our teaching team for next Fall. She too is very excited to start with our students. She arrives from Australia in July to join her fiancé who is a White Rock born and raised fellow.

ACRO PRACTICE:

Sat. June 6th 11:15-11:45 Please arrive a bit early to warm up a bit in the back.

SUPERVISORS AND VOLUNTEERS FOR FLOWER SALES AND 50/50:

We have a sign up list in the office for flowers and 50/50.

For the 50/50 I need a parent to overview this and I have spoken to many of our competitive dancers and they want to help with this. The supervisor for 50/50 is to hand out the buckets with the tickets and have change. Review with the helpers the cost. The sales will happen from 6:15 to 7:00 prior to the start of the show, we will do the draw just before the beginning of the second half of the show.

FOR THE FLOWERS: Suzie Milne is doing the flowers but again I need one person to supervise the volunteers so we know we are covered for all the time slots, plus take care of the cash box and make sure there is enough change.

Please speak with Jen about the supervisor positions and she can set you up. Thank You Loretta
