

#27 GROUP UP-DATE
June 12 2009

It is hard to believe we have come to the end of yet another inspiring dance season. I feel like I just wrote my opening welcome letter to everyone.

I must say looking back at this point it has been a whirlwind of performances and huge accomplishments for our young dancers. I am so looking forward to big final presentation next week. The Year End Recital is always so much fun as well as some tearful goodbyes. I can't even go there yet.

What I would like to say is a huge thank you to all my wonderful competitive dancers and their parents for making this year so enjoyable. Your support and commitment for this incredible art form is to be commended. I am so pleased that you all see how valuable it is to the culture of our community but also in how it enriches you and your children's lives on so many levels.

Enjoy next week as we celebrate the culminations of our year!!!
